

Dear Community Leaders,

On behalf of the American Cancer Society, we extend an invitation for you to become a distinguished partner for the 2021 Black & White Gala "Bow-Tie Experience" hosted on Saturday, August 21, 2021.

Though so many things are continuing to change in today's world, the need to fight cancer has not stopped, nor has the need to share stories of hope in communities like Acadiana. And just as many businesses, organizations and individuals have adapted to new norms and embraced unique opportunities throughout the COVID-19 pandemic, the American Cancer Society is focused on carrying out fundraising initiatives with the safety of our supporters and honorees top of mind.

While 2020 presented many challenges, including the hosting of the first-ever "Bow-Tie Experience" digital event in place of our traditional, in-person gala - our efforts proved to be a success. Raising more than \$99,000 via the "Bow-Tie Experience" - the Acadiana community united through the fight to end cancer. Included in this packet you'll find details around opportunities for the community to engage in the August 21st celebration, as well as opportunities to partner as sponsors with the American Cancer Society in 2021.

We are making remarkable progress to help save more lives from cancer every day. In fact, the cancer death rate has declined by 31% since 1991 in the United States. That is real progress. In addition to lifesaving research, the Society provides over 25,000 services to patients and families from Louisiana each year. Within the past year, the American Cancer Society awarded over \$10,300 in local transportation grants to cancer centers in the Acadiana area to assist cancer patients with access to care.

We hope you'll join us in 2021 by investing in our lifesaving mission. You will be sure to find that community members will notice and appreciate your commitment to a cause that impacts us all. Together, we will save more lives, celebrate lives, and lead the fight for a world without cancer.

Sincerely,

The American Cancer Society Executive Leadership Council

ABOUT THE EVENT

Celebrate the American Cancer Society's 11 years of fighting cancer and researching for a cure through the Black & White Gala "Bow-Tie Experience". Join the Acadiana community at this formal event of glitz, glamour and entertainment that has become the talk of the town!

Whether you're at home in your gowns and tuxes or busting a move out on the dancefloor at a venue - however we'll be able to celebrate this year, we'll do so with a common cause in mind - attacking cancer from all angles.

Each year, the Black & White Gala "Bow-Tie Experience" honors 12 outstanding individuals in the community as **Spirit of Hope Honorees**. These honorees are nominated by their peers and include cancer survivors, caregivers, healthcare professionals and individuals who have had a significant impact on the Acadiana and cancer communities:

**Joel Bacque | Louise Batiste | Jenny Bellard | John Bienvenu
Eric Buller | Amy Chauvin | Dana McBride | Kylie Meche
Drs. Philippe & Emily Prouet | Dr. Tony Quinn | Dr. Jonathan Thompson**

The evening also features an online silent auction with mobile bidding and Fund the Mission call to action fundraising. Fund the Mission is an opportunity to directly allocate funds to access to care via transportation assistance in Louisiana or general cancer research. Each Fund the Mission donation is 100% tax deductible.

**While we are excited for the opportunity to host an in-person celebration for the 2021 Black & White Gala "Bow-Tie Experience", we know this will only be possible depending on the CDC, federal and local guidelines as we approach the event date. Should we have the opportunity to do so in person, certain sponsorship opportunities will include the added bonus of reserved guest reservations as noted within each level.*
